Description

Production Equipment Europe
Superior Service – Single Source

Perfex TruCLEAN Extendable Handle has been developed to optimize your working posture while improving your comfort level and cleaning efficiency. Simply grasp the upper handle, slightly twist the centre grip to the right and the handle can be extended from 34" to 62" and then turn left to lock handle securely in place

Features:

- Comfortable 1" grip area of upper handle
- Made of high quality polyester and composite materials using pull-wound technology, TruCLEAN Extendable Handle is very durable and lightweight (16oz./64 grams)
- Impervious to water, grease, gasoline, detergents, sanitizers and solvents. Will not rot, corrode or oxidize
- Easy to clean
- Compatible with gamma, ETO & Autoclave sterilization – up to 250°F (121°C) for 30 minutes
- Also available in red and blue upon request
- Coloured grips available in Red, White, Blue, Green and Yellow on request
- Longer extendable handles also available
