Description

Production Equipment Europe
Superior Service – Single Source

The JSP Bushmaster Ear Defender & Wire Mesh Visor has been designed for maximum comfort and protection for users where head protection is not mandatory

- Bushmaster combines protection ear defenders, with a 20cm wire mesh visor and browguard
- Ideal for many grounds and maintenance tasks, the visor will latch in the upward position when not needed and can be easily removed from the ear defenders when only hearing protection is required
- The 200mm mesh visor offers protection against medium energy high speed particles at 120 m/s (270 mph)
- Visor conforms to EN1731
- Ear defenders conform to EN352 SNR=30
