

Texwipe Mini AlphaMop ICT Kit

Product Images

Description

Texwipe's Mini AlphaMop™ Isolator Cleaning Tool (ICT) Kit has been specially designed for cleaning small, hard-to-reach areas. The lightweight handles provide one-hand operation with this Mini AlphaMop™ ICT Kit. The kit's rapid-change system ensures adherence to strict cleaning protocols, perfect for critical cleanroom environments

- Low-profile, swivel head for easy access in hard-to-reach places
- Autoclave safe
- Rapid-change system for frequent replacement of covers/pads
- Rounded edges to clean isolator corners and prevent surface damage

Kit Contents:
