

Elten Arborist Chainsaw Safety Boots

Product Images

Description

Production Equipment Europe
Superior Service – Single Source

The Elten Arborist Chainsaw Boots are high-quality boots made from robust materials with high-cut resistance and are suitable for chainsaw operators. The GORE-TEX membrane ensures the fabric remains waterproof and breathable meaning it is the ideal boot for working in any conditions. Featuring a penetration-resistant midsole and a slip-resistant sole, the Elten Arborist Chainsaw Boots are ideal for light industrial and assembly work
