

Loctite 3627 Chipbonder Surface Mount Adhesives

Product Images

Description

Production Equipment Europe
Superior Service – Single Source

Similar to the other Loctite Chipbonder Adhesives we offer here at Safety Direct Loctite 3627 is designed for the bonding of surface mounted devices to printed circuit boards prior to wave soldering. Loctite 3627 is also suitable for stencil print applications

- Chemical type - epoxy
- One component
- Dispense method - syringe and stencil print
- High wet strength
- Surface mount adhesive
- Red gel- like material (uncured appearance)
- SMD components to PCB
