Production Equipment Europe
Superior Service – Single Source

The Metro Polymer Utility Cart from the popular MyCart series, is ergonomically designed to provide optimum ease of use and comfort to the user. With the option of two or three impact-resistant shelves, the Polymer Utility Cart is ideal for any work environment where easy and efficient transport is essential

- Ergonomic design and handle provide additional leg room, enabling user to push the cart more freely
- Smooth shelf surfaces with contoured edges are easy to clean, combatting staining
- Each cart comes with 2 labels for ease of identification
- Corrosion-proof and impact-resistant shelves ensures longevity of utility cart
- Shelf lip prevents items from falling off during transport
- 2 or 3 shelf options available
- Colours: Grey or Black
- Supplied flat-packed. Assembly available upon request, please contact our Customer Care team for more information
