

Stanley Flared Tip Screwdrivers

Product Images

Description

The FatMax® XL Flared Tip Screwdriver features a superior chrome vanadium steel bar that allows for huge torque and reduces the chance of tip breakage. The Anti-slip mix of smooth and textured panels means the XL Flared Tip Screwdriver offers great grip with reduced fatigue

- Colour coded ends for easy identification of the right screwdriver for each screw type
- Smooth domed end for fast spinning action, speed and comfort
- Large diameter handle offers greater torque needed for driving wood screws
- Pinched waist for more detailed work where precision adjustment is key
- Handle moulded direct to bar, virtually unbreakable bond
- Highly reliable and providing extra long life
- Treated tip for ultimate torque
- Type - Flared
