

Kontakt Chemie Solvent 50 - 200ml

Product Images

Description

Production Equipment Europe
Superior Service – Single Source

The Kontakt Chemie Solvent 50 effectively removes self-adhesive paper labels by dissolving the adhesive beneath the label paper. Suitable for use on many materials, the Kontakt Chemie Solvent 50 can remove most paper labels easily after only 2 minutes

- Highly effective solvent
- Suitable for use on many surfaces such as metals, different plastics, glass, delicate cardboard packaging or paper
- Easily removes many types of labels without leaving traces
- Effective on most labels after approximately 2 minutes - in difficult cases waiting time can be extended to approximately 15 minutes
- 200ml
