

Nilfisk Silent Walk Behind Sweeper

Product Images

Description

Production Equipment Europe
Superior Service – Single Source

The Nilfisk Silent Walk Behind Sweeper is ultra-silent, and runs at just 59 dbA. ideal for use in many different areas, the Sweeper is battery powered with an onboard charger

- Suitable for daytime cleaning without causing disturbance
- Standard battery provides up to 2hrs run time on hard floors (allows sweeping of approximately 6,000m²)
- Excellent maneuverability due to large wheels and traction drive
- Main and side brushes can be adjusted to ensure optimum pressure on floor at all times
- Fully adjustable handle that folds down completely, simplifying storage
- Safety switch that de-activates the machine once hopper is opened
- 60litre capacity
