Product Images

Description

Production Equipment Europe
Superior Service – Single Source

The 3M M-206 Versaflo Face Shield with Comfort Face Seal is a lightweight yet high performing product that is suitable for spraying, chemical processing or construction applications. The user of the M-206 Versaflo Face Shield is guaranteed optimum comfort, with a deflector that allows users to direct the airflow inside the headtop

- Comfortable face seal protects from dust, spraying and chemical processing
- Visor design offers excellent peripheral and downward vision along with good optical clarity
- Coated polycarbonate visor provides added chemical and scratch resistance
- Intrinsically safe
- EN 166 Medium Impact Protection
- Meets performance requirements (TH3) for this type of product when used with specific 3M Versaflo Air Delivery Units
