

JSP Surefit Thermal Helmet Liner

Product Images

Description

The JSP Surefit Thermal Helmet Liner can be worn under JSP Evolution Safety Helmets to provide additional warmth in cold environments. Lightweight enough to provide all day comfort, the Thermal Helmet Liner has deep edges so the entire ear is covered

- Prevents workers from wearing incompatible or dangerous alternatives such as hoodies underneath helmets
- Stretchy material for secure fit
- Thermal material for optimum warmth
- Machine washable at 30°
- Colour: black
- Size: Large/X-Large
