

Skipper Support Brackets

Product Images

Description

The Skipper Support Brackets holds the Skipper Unit in place without the need for cones or barrier posts. The Support Brackets are available in two attachment options - magnetic support or wall support

- Wall Support Bracket is ideal for permanent/semi-permanent fixture and can be screwed into place (fixtures not included, recommended screw head should be at least 10mm in diameter)
- Magnetic Support Bracket easily attaches to metal surfaces for a temporary solution
- Skipper Unit easily locks into place on bracket
- 124mm x 124mm x 168mm (W x D x H)
- Magnetic Support Bracket weight: 275g
- Wall Support Bracket weight: 170g
