*Superior Service – Single Source*

The Slice Auto-Retractable Metal Handle Utility Knife is a powerful knife that does not compromise on safety, with a unique finger-friendly blade that is safe to the touch. The auto-retractable design of the Utility Knife ensures the blade can never be accidentally left out, while the durable metal handle has an ergonomic grip that guarantees comfort for all users

- Includes 1 x Slice 10524 ceramic blade
- Blade auto-retraction for extra safeguarding
- Finger-friendly blade is safe to the touch and causes fewer and less severe injuries than traditional blades
- Durable metal handle is comfortable to grip for controlled cuts
- Ergonomic, ambidextrous design
- Tool-free blade-change mechanism
- In-handle blade storage
- Non-conductive, chemically inert blade
- Ideal for opening, cutting and disassembling boxes, cutting zip ties/tape, slicing plastic wrap
- Compatible with 10523, 10524 and 10525 blades
