**Production Equipment Europe**  
*Superior Service – Single Source*

The Slice 10525 Pointed-Tip Ceramic Utility Blades are compatible with the Slice 10491 Auto-Retractable Metal Handle Utility Knife, and last 11.2 times longer than traditional blades. Chemically inert, the Pointed-Tip Utility Blades will never rust and are also non-conductive for added safeguarding

- Pointed tip allows for a cut to be initiated by puncturing
- Particularly useful for cutting tough materials
- Finger-friendly design that causes fewer and less severe injuries
- Non-conductive
- Chemically inert blade and will not rust
- Non-magnetic
- Reversible blade doubles lifespan
- Safe up to 1600°C
- Pack 2
- Ideal for cutting zip ties/tape and banding, stripping cables, opening boxes/plastic wrap
- Compatible with the Slice 10491 Auto-Retractable Utility Knife
