

# LEVEL D CUT RESISTANT GLOVES PU PALM

## Specification Sheet

### FEATURES

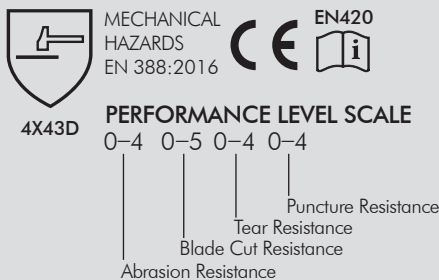

- Designed for precise handling applications where cut resistant protection is also required
- Inward knitting technique ensures the glove conforms snugly to the hand
- Made from technologically advanced fibres that ensure maximum protection and breathability are achieved
- Excellent stitch quality at seams and overall low linting
- Polyurethane coating provides excellent abrasion and tear resistance

### COMPOSITION

- Type: Palm & Finger Dipped
- Liner Material: HPPE
- Coating Material: Polyurethane
- Cuff Style: Elasticized knitted wrist

### CONFORMANCE

Test Results	
Abrasion resistance	4
Cutting resistance	X
Tear resistance	4
Puncture resistance	3
Cutting resistance (TDM test)	D

### PACKAGING

- 12 Pairs / Bag, 12 Bags / Carton

### QUALITY ASSURANCE

ISO 9001:2015
