

Ace Safety Goggles

Specification Sheet

The Pelsafe Ace Safety Goggles have been designed to optimise both safety and comfort for the wearer. The unique shape of the goggles allows them to be worn over prescription glasses or dust masks thanks to its single panoramic lens, while also boasting a large elastic band to provide an excellent fit.

FEATURES

- Wide, panoramic UV protective lens
- Anti-fog coating
- Anti-scratch coating
- Flexible PVC frame
- Large elastic band for additional comfort
- Excellent side protection
- Indirect ventilation
- Conforms to: EN 166 34B
- CE Certified
- 12 pc/pack, 12 packs/box
