

PALM FIT ASSEMBLY GLOVE – BLACK

Specification Sheet

FEATURES

- Designed for precise handling applications in clean manufacturing applications
- Inward knitting technique ensures the glove conforms snugly to the hand
- Lightweight nylon and polyurethane optimises breathability
- Excellent stitch quality at seams
- High quality materials are low linting
- Polyurethane coating provides excellent abrasion and tear resistance

COMPOSITION

- Type: Palm & finger dipped
- Liner material: 13 Gauge Nylon
- Coating material: Polyurethane
- Cuff style: Elasticized knitted wrist

CONFORMANCE

MECHANICAL HAZARDS EN 388:2016

EN420

4131X

PERFORMANCE LEVEL SCALE

0-4	0-5	0-4	0-4
Abrasion Resistance	Blade Cut Resistance	Tear Resistance	Puncture Resistance

Test Results	
Abrasion resistance	4
Cutting resistance	1
Tear resistance	3
Puncture resistance	1
Cutting resistance (TDM test)	X

PACKAGING

- 12 Pairs / bag, 12 bags / case

QUALITY ASSURANCE

ISO 9001:2015
