

STANLEY® (STA015106)

# FatMax® Coping Saw 165mm (6.1/2in) 14 TPI

The Stanley FatMax Coping Saw has a hardened tempered blade for long life. Its steel back prevents bending providing strong, true, straight cuts. The frame depth is greater than most coping saws. Supplied complete with 3 spare blades. Depth of Bow: 170mm (6.3/4in).
