

UNTOUCHABLE® CONTAINERS

Providing the same durable, square shape since 1968, the Untouchable® containers are perfect for the office, classroom and more. The new venting channels make removing liners 50% easier, improving productivity.

Features and Benefits:

- Holds larger, irregular objects and allows for 27% more capacity than circular receptacles without sacrificing additional space*
- Venting channels make removing liners up to 50% easier, improving productivity
- Cinch secures liners around the rim of the container and allow for quick, knot-free liner changes.
- Durable & crack-resistant, even under tough indoor and outdoor conditions
