

BUSHMASTER™

LANDSCAPING UNIT - MESH VISOR

DESIGNED FOR MAXIMUM COMFORT AND OPTIMUM PROTECTION

TECHNICAL
SPECIFICATION

HEARING PROTECTION

INSTRUCTIONS FOR USE

Before use the visor should be fitted onto a Bushmaster Browguard

In use ensure that the visor carrier fits comfortably and securely on the head

Ensure that the visor is in place before entering the hazard area

BUSHMASTER™ FEATURES & PERFORMANCE

Quick Release Detachable Visor: Allows ear defenders to be used on their own and the visor to be changed easily

Quick Release Visor Fixings: Allows quick and easy replacement of Polycarbonate or Wire Mesh Visor

Flip-Up Locking Hinge: Allows the visor to be safely flipped up and locked at a 90° angle for closer inspection of work inbetween or after work sessions

Padded Headband and Earcups: Added comfort for prolonged use

CLEANING & MAINTENANCE

The unit may be cleaned with soap and warm water and dried with a soft cloth

The unit should not be cleaned with chemical or abrasive cleaners

The unit should be stored out of direct sunlight

The unit should be stored away from chemicals and extremes of temperature

LIMITATIONS OF USE

Protection will only be offered if the faceshield is fitted correctly

If the visor becomes scratched or damaged it should be replaced

Do not apply paint, solvents, adhesives or self-adhesive labels, except in accordance with instructions from the manufacturer

The harness of the Bushmaster Browguard when in contact with the skin may cause allergic reactions to susceptible individuals

If this occurs leave the hazard area, remove the faceshield and seek medical advice

The Mesh visor is only suitable for use protection against low impact particles
